

Dom de la Commaraine, Clos de la Commaraine Premier Cru 2023 Pommard

16.5 ++

Serious wine! Ambitious and sinewy. Definitely worthy of your attention! Still embryonic but Paul Krug has imbued this with real energy. A name to watch, though maybe wait until they are settled in the new Pommard premises. (JR)

Dom de la Commaraine, Roncière Premier Cru 2023 Nuits-St-Georges

17

Juicy and more savoury than the Volnay. A solid buy and still quite youthful and tannic. (JR)

Dom de la Commaraine, Les Santenots Premier Cru 2023 Meursault

17

First vintage. From a 0.3-ha plot. Half planted 10 years ago, half planted in 1950s. Long pressing. 25% new oak and mainly bigger barrels, one year in barrel and six months in tank on lees. The 2023s will be sold over two years, so the 2024s will have longer in barrel.

Really rather gorgeous, with both opulence and savour. (JR)

Dom de la Commaraine, Les Murgers des Dents de Chien Premier Cru 2023 St-Aubin

16

A 1.5-ha plot! Replanted and with cover crops.

Scented. Sweet start. A little soft with less structure and acidity than I would have desired. (JR)

Dom de la Commaraine, Champans Premier Cru 2023 Volnay

16.5

The wines are currently made in a Meursault cuverie, which will be transferred to Pommard when the building works are done.

Mid crimson. Sweet, pure nose. Exciting! Velvety texture. Crackling texture. (JR)
